About

Noida Special Economic Zone

Noida Special Economic Zone (NSEZ), the only Central Government SEZ in northern India, headed by the Development Commissioner, was set up in 1985 in Noida Phase-I on a 310-acre plot of land. Prior to its being an SEZ in 2000, it was one of the seven Export Processing Zones of the country and was known as the Noida Export Processing Zone (NEPZ).

NSEZ has 202 developed plots of varying sizes, besides thirteen Standard Design Factory (SDF) complexes that can accommodate 208 units including one exclusive block for trading service units. The SDF are like ready to move in warm shells. Future expansion has been strategically planned and when implemented fully, the zone would be able to provide 204 SDF units.
